## Legal advice for refugees

Telephone consultations are available every Monday from 10 am to 2 pm.

There are public consultations for new clients every Thursday from 9.30 am to 12.30 pm on the premises of the Luthergemeinde Hamburg-Bahrenfeld:

### **Luthergemeinde Hamburg-Bahrenfeld, Lutherhöhe 22, 22761 Hamburg**

Please bring all the documents to do with your application for asylum, residence or your reasons for seeking asylum with you. If available, please also bring any doctor's certificates, appointment notices etc. from doctors and hospitals.

If you cannot speak English or German very well, please bring someone who can translate for you.

We advise:

- Asylum seekers before their application for asylum to the Federal Agency
- Asylum seekers during the asylum procedure
- Migrants after the rejection of their application for asylum
- Migrants without legal residency status
- Refugees in all questions concerning the asylum procedure and residency law.

If you have any questions about problems about social law, such as the German Asylum Seekers Benefits Act, accommodation or looking for an apartment, arranging a therapy place, starting work etc., please contact the Social Advice Centre or the ÖRA.

If you already have permanent residency rights and have any questions about visitors' visas or family reunification, please contact a lawyer, the district integration centres, the ÖRA or another advice centre.

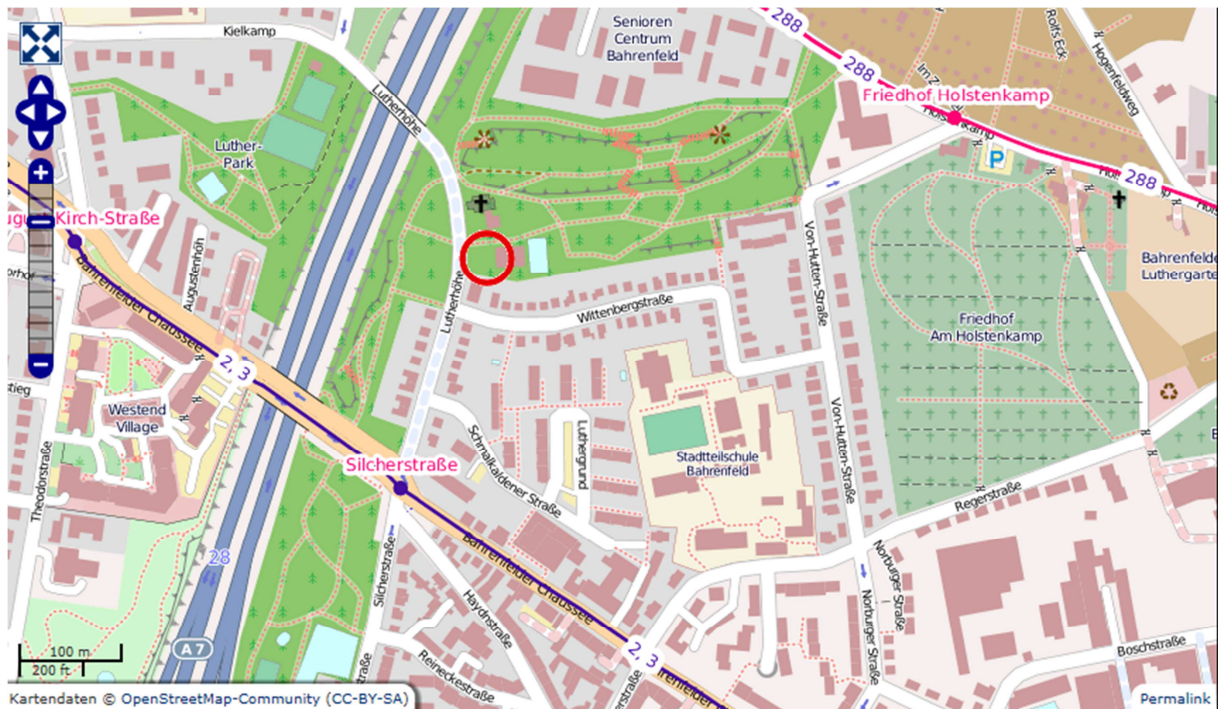

You will find links for this on our website.
